

RECEPTION — SUMMER 1 — CREATE

This term our young learners in Reception and Nursery will be embarking on a journey of discovery! We'll be exploring the wonderful **world of plants**, **celebrating the vibrant festival of Eid**, and **learning all about different modes of transport**. Get ready for messy fun planting seeds, creating colourful decorations for Eid festivities, and zooming into the world of vehicles. Our adventures will also include a trip to Dalston Curve Garden and exploring the works of famous artist Vincent van Gogh, inspiring us to create our own masterpieces!

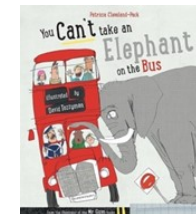

Planting & Growing Part 2

Let's Celebrate (Eid & Holi)

London Transport

Key Words & Questions

seedling

What exciting changes happen to a seed once it starts to grow?

moon

Cultural Capital | Key Experiences

Dalston Curve Garden

Planting Sunflowers

Artist Study—Vincent Van Gogh & Jeannie Petyarre

RECEPTION

CURRICULUM LEAFLET

Summer 1

GLOBAL GOAL: 13

13 CLIMATE ACTION

Physical Development

Through fun dance routines, we're developing important skills like coordination, rhythm, and control over our bodies. We're grooving and moving to music, helping us become strong and confident movers!

Personal, Social &

Emotional Development

We're setting achievable goals for ourselves, like mastering a new dance move or writing our name. We're also reflecting on our progress, celebrating our achievements, and learning from challenges!

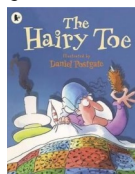

Communication & Language

We're becoming curious questioners, asking "what," "where," and "how" questions to learn more about the world around us and develop our understanding.

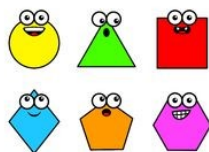

Literacy

We're enjoying the adventures in stories like "The Hairy Toe" and "The Gingerbread Man." We're also practicing writing letters, forming short sentences like "I can hop," and developing our speaking skills through stories and discussions.

Mathematics

We're recognising different shapes and patterns in our everyday activities. We're learning about money values and practicing adding and subtracting numbers up to 20, all through fun and engaging games!

Understanding the World

We're getting our hands dirty planting seeds and learning how to care for growing plants. We're also celebrating Eid and discovering the exciting world of London transport, learning about buses and tubes!

Expressive Arts and Design

We're learning about famous artists Vincent van Gogh and Jeannie Petyarre, exploring the world of colour, shapes, and textures through creative activities inspired by their work!
