

# NURSERY — SPRING 2 — EXPLORE

Get ready to explore nature with your little gardeners! This half term, our curious explorers will embark on a journey of **planting and growing**, discovering the magic of seeds transforming into vibrant plants. We'll delve into the fascinating world of **minibeasts**, unravelling their secret habitats and we'll visit a real farm to meet amazing animals and watch **ducklings hatch from their eggs** right before our eyes! It's a half term bursting with nature adventures, hands-on activities, and unforgettable memories !

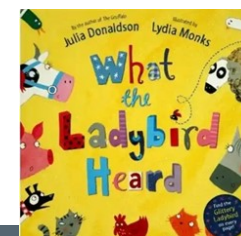

## Spring & Easter

## Animals : Minibeasts

## Life Cycles : Egg to Duck

## Key Words & Questions

**bloom**

What happens to flowers and trees during spring?

**wiggly**

How does a worm move?  
What about a spider?

### CURRICULUM LEAFLET

## Spring 2

### GLOBAL GOAL: 1

### Physical Development

We will be learning about Gymnastics this term and developing overall body strength, balance, coordination and agility. Use a range of tools to promote motor skills; skipping ropes, ribbons etc.

#### How to help your child at home:

*Build an obstacle course with pillows and blankets! Crawl, climb, and roll - little gymnasts in the making!*

### Personal, Social &

### Emotional Development

We will be learning how to part as part of a group or class, taking turns, sharing fairly and taking account of own and others feelings.

#### How to help your child at home:

*Build a block tower together, one block at a time, saying whose turn it is next! Count or sing as you go to reinforce fairness.*

### Communication & Language

We will be learning how to sing a repertoire of songs and rhymes and will begin to be able to talk about familiar books. We will also begin to use different tenses to development communication.

#### How to help your child at home:

*Gather favourite stuffed animals and act out a scene from a familiar book! Take turns choosing characters and sharing toys to bring the story to life.*

### Literacy

We will be reading the books; We're going on a bear hunt and ten seeds. We will be learning how to write our name and understand story sequence.

#### How to help your child at home:

*Please read with your child at home every week and document their reading in their record book.*

### Mathematics

We will be recapping our numbers to 5 and learning how to match and sort objects.

#### How to help your child at home:

*Ask children to help with the washing, can they match the pairs of socks?*

### Understanding the World

We will be learning about all things spring, we are looking at farm animals and their young, how to plant and grow seeds and the minibeasts you find at the bottom of the garden!

#### How to help your child at home:

*Make "haystacks" with green play dough and hide toy farm animals inside for your little one to discover with a moo, oink, or cluck!*

### Expressive Arts and Design

We will be learning how to begin to create collaboratively, to use available materials to make props to support role play area and how to create and sing our own songs.

#### How to help your child at home:

*Dip toy cars in colourful paints and let them zoom across paper, making a rainbow racetrack!*
