

NURSERY – AUTUMN 1 – DISCOVER

Welcome to the Nursery! This half term, we will be developing our understanding of ourselves, including, the people in our families and the area where we live. We will discuss what makes us unique and how we can celebrate our differences. We will also be thinking about our feelings, naming them and recognising them in ourselves and others. This will also include understanding how our feelings can affect our actions and developing strategies to cope with our feelings.

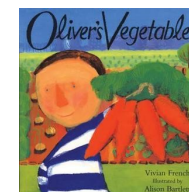

All About Me

How do you feel today?

Homes & Communities

Key Words

friend

What makes a good friend?

feelings

Can you name the feelings in the story 'the colour monster'?

community

What can you see in our community?

family

Who are the members in your family?

trust

home

Where is your home? Does everyone have the same home?

Cultural Capital | Key Experiences

Family visits in school

Forest school and Harvest festival

Walk around our local community

RECEPTION

CURRICULUM LEAFLET

Autumn 1

GLOBAL GOAL: 10

Physical Development

We will begin to hold a pencil with pincer grip to mark make. We will learn how to negotiate space to avoid obstacles. To use tools to support development of fine motor skills. To manage own basic hygiene.

How to help your child at home:

Help me to turn the pages of a book.

Personal, Social &

Emotional Development

We will learn how to separate from main carer with confidence and manage own personal needs. We will begin to show concern for others.

How to help your child at home:

Encourage me to say 'goodbye' calmly in the mornings.

Communication & Language

We will be learning how to listen and pay attention during carpet and story times. We will be learning to follow simple instructions in class.

How to help your child at home:

Talk you your child about how their day at nursery was.

Literacy

We will be exploring a range of mark marking resources and techniques. We will begin to hear and say sounds in words. We will begin to show awareness of how books are structured.

How to help your child at home:

Remind me to hold the pencil in a comfortable position.

Mathematics

We will begin to say numbers in order and count on our fingers. We will begin to sort and match objects.

How to help your child at home:

Let me help you pair up the socks in the wash or sort out my toys in the right boxes.

Understanding the World

We will begin to make sense of our own life story and family's history. We will also explore Black history month and our own identities. We will explore the natural world around them.

How to help your child at home:

Bring a photo of me into school of when I was a baby. Also provide a photo of me and my family together.

Expressive Arts and Design

We will explore what happens when colours are mixed and begin to investigate painting techniques. We will be exploring a range of craft media such as playdough, painting, collaging, cutting, gluing and sticking!

How to help your child at home:

Help me collect recycled materials for my little projects.
