Autumn 2

GLOBAL GOAL: 10

Physical Development

We will negotiate space to avoid obstacles. We will focus on developing our large motor skills through climbing, jumping, running and balancing to improve our coordination.

How to help your child at home:

Have a play outdoors every day, encouraging your child to take safe risk in their physical activities.

Personal, Social &

Emotional Development

We will work and play together, taking turns. We will begin to manage our own personal needs.

How to help your child at home:

Name the emotions your child may be feeling and model how they can manage their feelings.

Communication & Language

We will use talk to sequence and clarify thinking. We will also continue to develop vocabulary through experiences.

How to help your child at home:

Extend your child's answers in a simple sentence and give them choices to encourage use of language.

Literacy

We will give meaning to marks we make. We will use language to imagine and begin to develop our own narrative and vocabulary and begin to anticipate an event in a story.

How to help your child at home:

Share a book with your child every day, it can be a special time for you and your child.

Mathematics

We will recite numbers to 10. we will also begin to show 'finger numbers' up to 5. We will begin to look at patterns within Diwali celebrations.

How to help your child at home:

Point out patterns around you and talk about sets of objects as a number.

Understanding the World

We will celebrate/identify special times – Diwali, Remembrance Day, Hannukah and Christmas. We will explore different countries in the world and talk about the differences they have experienced or seen in photos.

How to help your child at home:

Take your child for a walk in the park and find different autumn treasures, from colourful leaves to conkers and berries.

Expressive Arts and Design

We will sing songs, make music and dance introducing our own rhythms. We will begin to independently mix paint.

How to help your child at home:

Visit an art gallery with your child and encourage them to describe what they see.
